WEED'S PATENT Sewing Machines

loth alike, which causes be unraveled or pulled

cioth silke, which existed be unrayeled or pulled out. They are all made with the highest mechanical saill and all warranted to work well on all kinds of goods, from the lightestlative to heavy leather. In writesiar, we would east attention of all to our new family fewing machine. It has been measuratured expressly for family may, and has met with favor from all. It is so simplified as to renainer it impossible to get out of order, or derange its operations; indeed it is so simple as to actorish one, that so small a piece of mechanism will saw.

Below we give a description of the differentiatyles of the Weel Patent.

NO. Its avery convenient style which can be verked by hand or foot, on or off its own table. For ouvertience of shipping and also for large manufactories where it is necessary to place a number of machines into long bench making one table answer.

all. Price 890,
With Walnut or Mabogany Table, either without Box Top, which locas down. Price NO and \$110.

NO 3. Samewise as No 3, but runs with a belt and at a higher rate of speed. This kind is well impled to manufacture clothing or leather work. This is really the cheapest soline in the market there is no work done on a sewing Machine that wil not to it is confidently asserted that this achine runs easier than any machine now in use rive \$100.

achine runs easier man any mass are not not rule \$100.

No 4. This washine has a long arm, to accommodate large work. It runs at a high rate of speed anseasily, and is without a doubt, the best Machine of Tailors use, ever ordered to the public. It is also southart. Itted for plantation work, as at its very unple yet substantial and durable, with but little ability to get out of order. Price \$100.

No. 5. This is a new and cheaper style, and a searal (avorite for Family, light Lexiner, and a runs variety of work. It has been gotten up with a farence for furnishing a strong and durable, yet

A Strike. Ngw-Yong, Sept. 17.

A strike of men, working on the New York and Erie Tunnel, at Borgan, New-Jersey, took place yesterday, in consequence of the non-payment of wages due. The labor-ers obstructed the track and stopped all trains. The military were in readiness for orders, but it being impossible to find the Sheriff, the troops were dismissed, the stri-

kers victorious. The through mails have been sent back to New York to be dispatched over the Hudson River, and Central New York R. R. Sent on Saturday two Regiments of New Jersey militia, who were ordered to the scene of dis-usters. Postmaster has obtained a requisi tion from the government for the dispatching of troops from New York city. The rioters Fare as low as by any other routs.

Be careful and call for Tienets by way of Lims.
